JANUARY 2, 2026

DemKota Ranch Beef, a USDA inspected facility, establishment number M-45471, has a written and implemented Food Security Plan. This plan is reviewed at a minimum of annually, or as needed. DemKota's Food Security Plan identifies the management team as well as outlines the procedures for product threats and tampering. A security assessment is conducted annually, at a minimum.

A handwritten signature in black ink, appearing to read "Rachel L.".
